

show them that their business really means something to you...

...in a totally original way

Clients love your thoughtfulness. It's what sets you apart from just about everyone with whom they do business.

The little gestures mean a lot; when you keep eye contact, listen to them, remember their kids' names. Things like that. It's why they love doing business with you. They know that you get it.

THE original basket boutique does, too. We give you the most unique gifts and gourmet treats available. Packages that generously proclaim your greatest appreciation. All customized with your corporate colors and logo. We can even include your promotional items and branded ribbon.

Show your clients and colleagues your gratitude with the most unique, personalized, and pertinent gifts available anywhere. All artfully arranged in containers that surprise and delight.

That's right! We don't put everything in baskets. We find totally novel, exceptional, high-quality containers of all types that completely customize and personalize your gift giving. We ship anywhere in the world. Easy ordering, on-time delivery, superior customer service, and outstanding value make your corporate gift-giving with OBB a real pleasure.

Got a client that likes gardening? Send a fun, colorful basket with seed packs, garden gloves, and tools. Got a client who loves boating? A boat-shaped container with various nautical-theme items will really impress. The best part? Your clients will know that you really listen. You pay attention. You care.

THE original basket boutique is your one-stop source for corporate gifts that they'll never forget and you'll love giving.
